

AWHONN Intermediate Fetal Monitoring Course

Brigham and Women's Hospital

75 Francis Street

Boston, MA 02115

CWN room 825.2

Workshop Number: PHSW2019177

May 16th and 17th 2020

Time: 8:00am-4:30pm

Registration begins at 7:30am

Course Description

This comprehensive 2-day instructor-led course is critical for enhancing and validating perinatal clinicians' ability to interpret and respond to fetal heart monitoring tracings. This course assumes that the learner has previously completed entry-level/basic fetal monitoring education.

18 contact hours of CNE will be provided.

Course fee: \$250

Attendees must purchase their own materials by providing the workshop number from either of the following:
